FOR IMMEDIATE RELEASE

Caltrans to Activate Traffic Signal at Warren Avenue/Kato Road

FREMONT– On Friday, December 17, Caltrans will activate the traffic signal at Warren Avenue/Kato Road in Fremont. Caltrans wants drivers to be aware of the new conditions when the light changes from flashing red to normal operation.

This signal will work in coordination with the Union Pacific railroad crossing to the east. When a train approaches Warren Avenue, cross arms will lower across the roadway. At this time, the traffic signal will switch to green for westbound Warren Avenue, to ensure that all vehicles clear the train tracks. The signal will be red for eastbound Warren Avenue, and the pedestrian crossing at Warren Avenue will switch to “Don’t Walk.”

Note: This work is weather dependent. If it is not completed on Dec. 17, it will be completed as soon as it can be rescheduled.

For information about other Caltrans projects in the San Francisco Bay Area, please go to www.dot.ca.gov/dist4.
